*On October 07, 2015, U.S. Border Patrol Agents responded to Los Velas Farms along the Rio Grande River in Rio Grande City, Texas due to activity on a U.S Border Patrol monitored surveillance camera. Agents observed what appeared to be three male subjects walking from the Rio Grande River carrying what appeared to be bundles of narcotics. Upon responding to the area, U.S. Border Patrol Agents located foot prints leading to the brush. Upon following the foot prints, Agents located two bundles of narcotics. Agents continued to follow the foot prints and located two subjects approximately 20 yards from the bundles. In total, U.S. Border Patrol Agents located 7 bundles of narcotics and detained two males identified as Felipe GONZALEZ-Ramirez and Daniel MARTINEZ-Galaviz.*

*Agents transported the narcotics to the Rio Grande City Border Patrol Station along with GONZALEZ-Ramirez and MARTINEZ-Galaviz. Agents processed the 7 bundles of narcotics and found them to test positive for marijuana and weighed 217.4 kilograms. TFO David Ponce and TFO Cosme Muniz responded to the Rio Grande City Border Patrol Station and interviewed both GONZALEZ-Ramirez and MARTINEZ-Galaviz. Both GONZALEZ-Ramirez and MARTINEZ-Galaviz were read their Miranda Rights and both provided statements to Agents. GONZALEZ-Ramirez and MARTINEZ-Galaviz both provided statements indicating they willfully participated in the transport of marijuana in exchange for being allowed to cross into the United States without having to pay. GONZALEZ-Ramirez and MARTINEZ-Galaviz stated they were unable to identify any of the co-conspirators who agreed to cross them into the United States. Both provided statements indicating their involvement in the seizure and both agreed two of the seven bundles seized by the U.S. Border Patrol were bundles they each carried.*

*The case was accepted for federal prosecution and GONZALEZ-Ramirez and MARTINEZ-Galaviz were arrested for Possession/Conspiracy of Approximately 217.4 kilograms of marijuana.*
